Create Relief Request

1 What do you need help with?

Hazard (required)
Select a hazard

Assistance needed (required)
Select assistance

Request title (required)
e.g. Fallen tree blocking our driveway

Tell us about your situation (required)
What happened, what help do you need, and are there any access concerns?

Photos (optional)
Add photos of the damage · JPG, PNG, or WebP

Only take photos if it is safe. Files stay in this preview.

2 People needing help

Number of people (required)
1

Number of pets
0

Accessibility or support needs (optional)
e.g. Wheelchair access, an infant in the household, or help carrying supplies.

Share only what helps a volunteer plan assistance. Avoid private medical details.

+ Add a person's details (optional)

3 Where can we reach you?

Street address (required)
Street and house number

City (required)
Charleston

State (required)
SC

ZIP code (required)
29401

Phone number (required)
(843) 555-0123

Demo only · Your information is not sent.

Cancel

Submit demo request →

A little detail goes a long way.

Tell us what happened and who needs help so volunteers can bring the right support.

What happens next?

Your request would be reviewed and matched with available volunteers. Track its progress in Relief Requests.

Need immediate help?
Relief requests are not monitored for emergencies. Call 911 for immediate danger.
